To the Secy. B. Race Club for reply.

Letter No. 2180. A/2nd April 51
from the Secy. R.R.C. forwarding reply.

The letter is for perusal. Except the present letter there is no official information in the matter. Blue Race club is a private organisation and not in any way connected with the Govt. The dispute is also between one private club & another. Govt. is concerned only with the betting tax and not day to day working of the clubs. Govt. by Legislation can abolish racing altogether; but when it prevails as at present Govt. cannot interfere in its programme. In view of the above reasons it is for consideration whether this question need be taken cognisance of and answers furnished. If answers were to be furnished it is for orders whether it should be in the negative for (a) and for the rest as follows "Does not arise."

Sri B. HUTCHE GOWDA (Tumkur District - General)

Will the Government be pleased to state:-

a) whether it has come to their notice that there have been some difficulties in the way of racing by the Bangalore Race Club, with the result that there may not be racing in the months of May and June;

b) if so, the reasons for the same;

c) whether it does not affect the betting and other taxes due to Government;

d) the action they propose to take in the matter?

The Hon'ble Sri H.C. DASAPPA (Minister for Finance and Industries).-

A. (a) Yes.

(b) The Bangalore Race Club asked for twelve days' racing with a week's interval, but the Royal Calcutta Turf Club to which the Bangalore Race Club was affiliated, gave only ten days without any interval. This affected adversely the financial position of the Bangalore Race Club. The Bangalore Race Club wanted to begin their races in the early part of June ~~wanted to begin their races in the early part of June~~ this year, but the Royal Calcutta Turf Club allotted the third week of May 1951 for racing without heeding their request. This affected the condition of the racing course. I mean to say, it will be dry during May and racing is not easy. Then the other difficulty is this. Not satisfied with the treatment accorded to the Bangalore Race Club, the Bangalore Race Club sought disaffiliation from the Royal Calcutta Turf Club and wanted to race under a separate authority. Efforts are being made to have the races during the season if possible.

c) Yes.

d) The Government will address the concerned authorities.

Dear Sir,

With reference to your letter No.C.S.18851/C.B. dated the 30th March 1951, I furnish below, the particulars required:

b) (i) Bangalore Race Club asked for 12 days racing, with a week's interval, but Royal Calcutta Turf Club gave only 10 days without any interval. This affected adversely the Financial Position of the Bangalore Race Club and its administration.

(ii) Bangalore Race Club wanted to begin their Races in the early part of June but Royal Calcutta Turf Club allotted 3rd week of May 1951 for racing without heeding their request. This affected the condition of the Racing Course.
